160 DEEDED ACRES CATLOW VALLEY

LOCATION: This land is located about four miles west of Beaty Butte. This is one tax lot, account #10116 , tax lot 5000, T36S, R28EWM. Go east from Adel, OR on Highway 140 about 25 miles to the base of Doherty Slide, then go north about 26 miles to the west side of Beaty Butte, then west about 4 to 5 miles. This last part is a good two track road. You could also come in from the north from Frenchglen, OR.

PROPERTY: A very nice property located in a remote area of Eastern Oregon. It is sage-brush ground and very remote. This land is not fenced, and there is no water source. There is no power close and no wells on the land. There are a couple of wells in the vicinity but they are deep wells. There are antelope and deer in the area. Hart Mountain Refuge is about one mile to the west.

TAXES: 2022-2023- \$23.44

REMARKS: A very unique property in a very remote area. There is plenty of room to camp, ride horses, ride ATVs, and hunt. This is in a Sage Grouse habitat area and they do not allow building of homes. To find out zoning and building requirements, contact Darwin Johnson, Lake County Planning Director, at 541-947-6036. There seems to be quite a lot of obsidian in this area. So, if you are looking for someplace to get away from it all, this property can provide peace and quiet and beautiful views if you love the high desert of Eastern Oregon.

PRICE: **\$45,000.00**
