PROPERTY DESCRIPTION

Welcome to your personal gateway to the White Mountains in Gorham, NH! This 76.6 +/- acre property features one +/- acre of cleared land that offers the potential for a future homesite with incredible mountain views of the Northern Presidential Range! Just imagine enjoying views of prominent ridgelines, including Mount Madison, Mount Adams, Wildcat Mountain & Carter Dome just to name a few, from your own property. A shared, paved driveway offers easy access off Gorham Hill Road – also known as NH Route 2. Power runs along the road frontage & high-speed internet, TV & phone service are available. The nearby downtown Gorham offers plenty of amenities, restaurants shops. Two separate road frontage portions offer options for the prospects of building your dream home if appropriate septic can be identified per state regulations. With the entire property located in the Residential B zoning district, town zoning may allow for future subdivision & development. Town officials say despite municipal water being located on RT-2, the allocation is too low, so a private well & private septic system are best suited for development. Reclaim the old logging roads on the property for a great, private trail network for your personal enjoyment or go experience the seemingly endless nearby recreation from hiking & skiing in the White Mountain National Forest, Wildcat Mountain Resort or Moose Brook State Park to riding the various ATV trails or kayaking the nearby Androscoggin River!
