

# Utility & Property Information

**GPS Address:** 667 Cemetery St, Brookfield, VT 05036. \*For GPS navigational purposes only. A formal 911 address will be assigned by the town if the property is developed in the future.

**Directions:** From VT-14, turn onto E Hill Rd, turn left onto Farnsworth Ln, then continue onto Cemetery St. See real estate sign on left, turn into driveway with "691" sign, then immediately left to travel up grassy path. Be careful driving up to the landing; there is a wet area about 1/3<sup>rd</sup> of the way.

**Taxes:** Town of Brookfield — \$736.01 (2025-26 Non-Homestead Value). The property is enrolled in Vermont's tax reduction program, Use Value Appraisal, commonly referred to as Current Use. The UVA program allows for substantial property tax reduction in exchange for the practice of good silviculture and a commitment to non-development uses.

The Forest Management Plan indicates that 6.7+/- acres has been excluded from the CU program.

Any offer should include the following Current Use clause:

To the best of the Seller's knowledge, some or all of the Property is enrolled in the "Current Use" program, 32 V.S.A Chap 124. Buyer(s) agree to re-enroll such portions of the Property after closing or to be solely responsible for paying any Land Use Change tax imposed by 32 V.S.A. Sec. 3757.

**Zoning:** **Agricultural/Residential** & a section near the western border lowlands of the property is within the Conservation >25% Slope & Wetlands district. Access the [Brookfield Zoning Regulations](#) for further information. The Brookfield Zoning Department may also be contacted at 802-276-3722 with any additional questions.

**Power:** Washington Electric Coop — the closest utility pole is located at the intersection of Cemetery St and Farnsworth Ln, approx. 300 ft from the start of the driveway to the property.

**Septic/Water:** There is no formal septic system or water supply on the property. Per state regulations, purchasers will need to provide their own state approved

Wastewater and Potable Water permit. Drilled artesian wells are typical for the area. **Recent soil tests indicate the likelihood of a mound wastewater system supporting a 3 or 4 bedroom single family residence**, see letter from engineer in Supporting Documents & Maps.

**Flagging:** The approximate location of the road frontage has been marked with orange flagging. Blue flagging can be found where the soil test pits were dug.

**Spring Rights:** The survey references spring rights that benefit the property to the south.

**Road:** Cemetery St — Gravel, town plowed and maintained road.

**Services:** EC Fiber offers high-speed fiber internet, streaming TV & telephone services to homes in the area.
